Sir:

We would like to solicit your help on behalf of the 120 blind children here in the Bay Area.

Last August 6-13, 2006 only 53 were able to attend our Blind Camp at Leoni Meadows. We would like 100% of our blind children be given the privilege to go to Blind Camp to enhance their hidden talents and make them productive citizen. 3% of them belong to Milpitas City.

One week sponsorship at Winter Camp cost \$ 825.00 each. We would like to thank you in advance for your generous donation.

Very respectfully yours,

Ely Eborá
Christian Record Representative
Bay Area

Camps for the Blind

National Camps for Blind Children®/Adults (USA) and National Camps for the Blind® (Canada) are affiliated with Christian Record Services. This project began in 1967 with a single camp at Kulaqua in High Springs, Florida. The camping program has been such a success that we now operate two dozen camps at various locations across the United States and Canada. Since its organization over 43,000 campers have attended these unusual camps.

Each camp is scheduled at a well-equipped site, chosen especially for the standard of excellence and geographical location.

Committed staff and counselors are trained to meet the needs of our blind campers. Medical personnel are on duty 24 hours a day. Emergency care is available when needed.

The camps are FREE to those who are between the ages of 9 and 65 and whose corrected vision is no better than 20/200. However, we require a processing fee of \$35 per camper.

Objectives

NCBC/NCB helps blind campers to

- discover undeveloped potential
- increase self-confidence
- improve physical vigor
- develop an appreciation for God's love and care

Summer Camps

Depending on the summer camp, campers enjoy a variety of activities, including horseback riding, water-skiing, swimming, hiking, rappelling, canoeing, backpacking, archery, go-carts, beeper baseball, and talent night.

About Christian Record Services

Mission Statement

Christian Record Services provides free Christian publications and program people with visual impairments.

Goal

The goal of the many volunteers, employees, and trustees of Christian Record Services is to reach every blind or visually impaired person in North America with our free Christian publications and services.

Christian Record Services provides new opportunities for persons who are blind or visually impaired. Each year approximately 100,000 blind people's lives are changed by services we provide to them without cost. All who are blind, leg-blind (20/200 with corrective lenses), or have physical impairments that prevent them from holding reading material are eligible for the following free service:

- **Subscription Magazines** are available in braille, large print, and audio cassette.
- **Full-Vision Books** combine braille and print, enabling blind parents to read to their sighted children and sighted parents help their blind children learn braille.
- **The Lending Library** lends more than 2,000 volumes in braille and audio cassette.
- **Gift Bibles and Study Guides** are available in braille, large print, and audio cassette.
- **National Camps for Blind Children** are operated throughout North America.
- **Scholarship Assistance** is given on a limited basis to blind young people trying to obtain a college education.

Christian Record Services is an international organization serving blind and visually impaired individuals in approximately 80 countries worldwide and employs about 160 people throughout the United States and Canada.

Braille Alphabet

Braille is a system of raised dots which blind people read. All words, numbers, music, capital letters and punctuation are within the cell. A full braille cell is shown at the end of the alphabet.
